## Absolute 40 STL

**Ready for Delivery.**

The key to understand this project is all in its name “Sport Line” and its sports nature. You get on board through a small platform and then you enter the cockpit from the safe side passage, well protected by an enveloping gunwale. The U-shape sofa with dining table hosts 6 people in true and full comfort. The kitchen with its special furniture helps to corroborate the on-board pleasant atmosphere with its hob, sink and fridge. The spaces on the deck are enriched by the second bow sundeck with adjustable backrests, which can also comfortably host 3 people.

A classical sliding companionway hatch protects the access to the lower deck, getting down two large steps you can access the dinette. At port side, you can find a second complete galley, to be used in case of bad weather, and towards bow there is the dining table with the sofa (if necessary, they can be converted into a double bed).

Coming back towards aft, under the cockpit, you can find the second strong attraction of the project: the separate full-beam cabin with wide double bed and spectacular windows just above the waterline. Worthy of mention, the full-functional head and shower at starboard.
