Invictus GT 370

BEYOND BORDERS

With Invictus GT370, luxury evolution doesn't stop. This model has reached new frontiers of beauty and elegance. The distinctive element of this hull is the typical half reverse bow. Here, refinement and power reach the best balance.

Invictus GT370 is the peak of luxury and style, customizable with unique elements for a boat of this size, like the opening side converting into a waterfront terrace, the hydraulic platform and a long list of selectable details, made even larger through the Invictus Atelier experience.

INVICTUS GT 370 Eges Inboard: Volvo Penta - Mercury (Gasoline - Diesel)
