## **Absolute 47 FLY**

---

**ABSOLUTE 47 FLY is the "Absolute Gateway" to the FLYBRIDGE family of the Italian shipyard ABSOLUTE YACHTS, once again it will be something amazing.**

**The "Space and Lights" concept is the fulcrum of this new project that makes the habitability its strong point, in fact there are 3 very spacious cabins with 2 huge bathrooms in the sleeping area, while the living area, which is completely flooded with light offers a kitchen near the entrance and a huge dinette that can accommodate up to 8 people.**

**All this is obviously finished at the highest levels typical of the Italian shipyard, the engine will be entrusted to 2 Volvo penta IPS 650.**
