Absolute Navetta 75

The Absolute Sphere

Navetta 75 is the latest development of Absolute Yachts: the largest boat in the shipyard, “The Absolute Sphere”, is designed to expand the Navetta range. It is no coincidence that Absolute chose the sphere, a symbol of perfection and harmony, to describe a boat that embodies all the essential values and distinctive features that any new project should have in the Absolute shipyard.

The Navetta 75 incorporates the shipyard’s most unique features and style, the strengths that set it apart from competitors: in line with the new Fly range concept, the Navetta 75 project brings on board a terrace cockpit and the owner’s cabin at the bow. The new flagship includes also large windows, high ceilings and spaces designed on a single level, both on the main deck and on the lower deck.
